

REMARKS

Examiner has kindly pointed out some errors in the writing of the claims. In this amendment, all the errors in the new claim have been amended all based on the suggestions on the office action.

If there is any error in the claims, applicant requests and authorizes Examiner to amend the claims of the present invention so that the claim can match the requirement of U. S. Patent. Attentions of Examiner to this matter is greatly appreciated.

Since in the office actions, the claim 3 is allowed in condition, and the applicant has amended all the errors suggested by Examiner, it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
